

Year Trend

Source

Time — duration, histogram, boxplot

Time-Geography duration — state group by event type

Time-Property: duration — ① event type
duration — ④ injures, deaths
duration — ⑤ magnitude, group by event type

Property:

event type, injures, deaths, damage — histogram, boxplot

event type — state

injuries, deaths, damage

month

event-zone — damage

damage — State

Month
magnitude
magnitude — length, width, by event type

Tornado (→ length, width → duration, → Texas topic
Flood (→ flood cause

State topics: California, New-York,
